Bolivian Food: A Culinary Evening

Bolivia's cuisine is little known outside Bolivia and therefore much underrated. At this event, you will be able to witness the preparation of a range of Bolivian dishes and to sample them too. The event will take place at Westminster Kingsway College's School of Hospitality in Pimlico, which is renowned for having trained some of Britain's finest chefs and has a small theatre especially designed for cookery demonstrations.

Places are strictly limited by the size of the theatre, so please book as early as you can for what is likely to be an extremely popular and entertaining evening.
